OASIS AV Cart Tech Instructions:

**Connect Your Laptop to Screen:**
- There is a loose HDMI cable below the shelf on the left side
- Connect laptop to HDMI cable
- Take LED remote, select ‘**Input**’ button, select (HDMI 1), use arrow keys to select
- Volume will come out of the screen; use remote to adjust volume
- Most of the time the laptop and screen will automatically connect
- Reboot laptop if no connection to screens happens
